

# Our Annual Christmas Piano Sale!

OPENS TOMORROW WITH GREATER PIANO VALUES THAN EVER

Any wife or daughter could be made the happiest woman in the world with a Piano for Christmas—and there is nothing that you could give that would be more practical in adding beauty and bringing entertainment into the home.

Our annual Christmas Piano Sale opens the way for you to give this most prized of all gifts—it is during this sale that we make the most decided slash in prices—so that we may enter the new commercial year with stocks at lowest point.

This year, on account of having so large a stock, our sale prices are lower than any former time—prices on standard make Pianos are so low as to be almost unbelievable.
